

REMARKS

The specification has been amended in accordance with 37 CFR §1.78 to make reference to the International Application from which this application originates and to incorporate by reference the Japanese priority application.

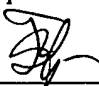

Claims 3-9 and 14-17 have been amended to remove multiple dependencies. The amendment is made to reduce filing fees and not for any other reason related to patentability of such claim. Claims 10-13 have been canceled without prejudice. No new matter is added by this amendment.

The Abstract has been amended to conform to US practice.

Please examine the application in view of the amendment set forth above.
